Osvaldo Suarez Soto (Stephen)

Video Editor & YouTube Tutorial Producer

press.sthwht@gmail.com · stephensito.github.io/portfolio · linkedin.com/in/sthwht · Mexico City, Mexico · Remote

SUMMARY

Video editor and tutorial producer with 3+ years of weekly delivery for a software-tutorial YouTube channel with 100K+ subscribers (up to 17 videos a week) and my own Spanish-language Canva channel with 2.5M+ views. I handle scripting, screen recording, voiceover, editing and delivery, in English and Spanish.

EXPERIENCE

YouTube Content Producer (freelance) · Tech Express — 2022 – Present

- Script, record and edit step-by-step software tutorials for a YouTube channel with 100K+ subscribers, delivering up to 17 videos per week (about 48 per month) in 1080p with clear audio.
- Topics covered: Shopify, Salesforce, HubSpot, Canva, Google Workspace, Microsoft 365, Notion, Airtable, Wix and Figma.
- Latest work: a long-format series of 8 to 12 minute beginner walkthroughs.
- Deliver organized, clearly named batches in the order the publishing team requests, and flag early any topic that cannot be shown on screen.

Founder & YouTube Content Creator · Canvademy — 2022 – Present

- Built a Spanish-language Canva tutorial channel to 16.4K subscribers, 2.5M+ views and 143 videos; top video at 325K views.
- Run the whole workflow: topic research, scripting, screen recording, voiceover, editing, thumbnails and SEO.
- Monetized through YouTube and the Canva affiliate program.
